Our **COMFY® NOODLE** is the ideal companion on the beach, at the lake or in the swimming pool. Thanks to their flexibility and sturdiness, the Noodles are particularly suited **to rehab exercises or water gym**.

They combine **fun and safety** for children. They just hang on to the Noodle and feel themselves glide through the water. Super fun swimming sensations.

The **COMFY® PONY WHISTLE** is an absolute favourite. Which child doesn't dream of having his own pony and the adventures it shares as a knight or cowgirl?

The **COMFY® CONNECTOR** is a valuable educational **building element**. That can be used to build own fanciful constructions. The sky's the limit when it comes to a child's fantasy and creativity.

The kickboards are used for **paddling, splashing and swimming** lessons. These boards offer more than just fun; they help strengthen kicking strokes and improve swimming techniques.

Our **COMFY® PRO SENIOR BOARD** has a built-in handle to make gliding through the water a breeze. Swimmers need only concentrate on their legs to strengthen muscles or improve posture.

The **COMFY® PRO JUNIOR BOARD** is particularly suitable for the young beginners in the swimming lesson.

The **COMFY® PRO AQUAJOGGING BELT** is the perfect aid for training stamina, balance and coordination in the water. The belt provides – among others, during aqua gym – sufficient **flotation and stability** so that corrective movements are no longer necessary, not even in deep water.
