SPORT &
LEISURE

Sport events bring people together. They are synonymous with sticking together, supporting your team and of course cheering and celebrating together.

The COMFY® PAD and ECOSEAT HAND are the ideal seat cushions for sporting events. These cushions will turn any surface into a comfortable place to sit: benches, beer crates or just on the ground. Don't need a cushion? Then use the hand to cheer on your team.

The COMFY® PAD DRINK TRAY is made for the perfect party. Partygoers can carry six drinks at once with this unique gadget. No more offside spillage when supporting your team on the big screen or live in the football stadium. And no more tipped-glass fouls with this Drink Tray.
